ENGINEERING DEPARTMENT.

OFFICE OF THE CHIEF ENGINEER.

Notice dated 6th April 1918.

The Chief Engineer of Mysore, while in Bangalore and not specially engaged, will be glad to hear petitioners on every Thursday, if it is not a Gazetted holiday, between 12 noon and 3 P.M.

2. Government officers and other gentlemen having business may call at the Chief Engineer's Office between 3 and 5 P.M., the same day.

3. During the absence of the Chief Engineer on tour from headquarters, or while he is otherwise engaged, the Deputy Chief Engineer will receive visitors and attend to them.

S. CADAMBI,
Chief Engineer of Mysore.

WATER-SUPPLY DIVISION.

NOTICE.

Tenders for the supply of good "Portland Cement" required for the use of Government in the Public Works Department of Mysore, for the calendar year 1919, will be received by the undersigned up to 12 noon of 16th December 1918, as per specification noted below, which can be obtained from undersigned on application.

2. Each tender should be accompanied with Rs. 500 cash or Government currency notes only as earnest money and should be sent in a sealed cover superscribed "tenders for the supply of cement to the Mysore Public Works Department, for the calendar year 1918."

The final acceptance of the tender will rest with the Superintending Engineer, Southern Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

Within eight days of the accepted tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be cancelled and his earnest money, forfeited.

The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the undersigned's office in due course. No enquiries regarding the acceptance or rejection of a tender, will receive any reply.

On acceptance of one of the tenders, the earnest money on rejected tender will be returned.

Specification.

1. The cement to be supplied shall be "English" or Indian manufactured cement.

2. The cement shall satisfy the tests as per British standard specification. Results of tests made on the cement by recognised authorities in England or India, shall be sent along with the tenders.

3. The supplier shall guarantee to maintain a stock of not less than 100 barrels in Bangalore at all times.

4. The supplier shall comply with all indents from the Executive Engineer, Water-Supply Division, Bangalore, within three days of the order.

5. The supplier shall supply the cement in properly coopered casks and of gross weight of 400 lbs.

6. The supplier shall duly notify to the undersigned, each and every consignment of cement received by him in his godown.

7. The supplier shall allow the undersigned or his authorised representative, to inspect the stock in his godown at all reasonable times and shall permit the Inspecting Officer to collect cement for test, from any barrel of cement stocked. Such cement shall be tested by the undersigned in his office.

8. If the cement so tested, fails to satisfy the conditions of British standard specification, the whole of the consignment will be rejected and the supplier shall remove same from that particular godown and shall guarantee to replace the same with fresh good stock within a week's time.

9. The rate offered by the supplier shall include cost of delivery of same, in good condition at the Stores of the Water-Supply Division, Bangalore, and shall be binding on the supplier for a period of twelve months from 1st January 1919 to 31st December 1919.

10. The quantity of cement purchased from the supplier is not guaranteed.
